

Jewellery Workshops | One-to-one tuition – Class 3

Assemble a unique Charm Bracelet | for advanced students | Three day course

For those experienced in jewellery making and wish to improve on their skills or focus on particular technique in greater depth. This course enables you to create a charm bracelet that is made up of three charms. The charms will be created using techniques such as casting, forming and cutting.

Class 3

A brief introduction to Selina and her work, and a chance for you to discuss what you would like to achieve from the course. Selina will show you with basic tools and materials required for jewellery making and where to buy them. Then go through workshop environment and Health & Safety issues. Selina will go through a series of demonstrations that you will then have a go at yourself – first under supervision and then with no one watching you. It will run at a pace that suits you.

Techniques and skills taught in this class will be: accurate cutting and piercing silver, Using a piercing saw to cut straight lines and shapes basic, shaping/bending/manipulating, Annealing and silver properties, Hammering, Basic chain making and jump rings, Understanding the soldering process, Filing and finishing, Hallmarking issues and lastly Polishing and surface treatments.

Once the basics have been learnt Selina will help you make a unique Charm Bracelet. You will cut, solder, file and polish a perfect piece of jewellery that you will be able to take home with you at the end of the day. Materials are included up to the value of £35.
